Dear Mr Hesford

Request for Trading Halt (ASX:HNR)

Hannans requests a trading halt be applied to its securities pursuant to ASX Listing Rule 17.1.

We would like the trading halt to commence immediately pending an update on exploration activities undertaken at the Forrestania Lithium Project.

The trading halt should continue until the commencement of trading on Tuesday, 24 October 2017 or the release to ASX of the update on exploration. We are not aware of any reason why the trading halt should not be granted.

If you have any further questions please don't hesitate to contact me.

Kind regards,

Damian Hicks
Executive Director
